Goodwill Serving the People of Southern Los Angeles Enhances Cleaning Standards and Sets Reduced Hours to Give Employees Flexibility

LONG BEACH, CA – Long Beach, CA. (March 16, 2020) — Goodwill Serving the People of Southern Los Angeles County (Goodwill SOLAC) wants to assure its customers that it has enhanced its cleaning standards and also announced that it has instituted new hours to allow flexibility for their employees during this COVID-19 pandemic.

“The health and safety of our employees and our community is our priority,” said President & CEO Janet McCarthy. “We are closely monitoring the situation and taking action in all of our store locations and facilities across Southern Los Angeles County. To ensure the safety of our employees and the public, we are enacting these changes effective March 17, 2020.”

McCarthy said all Goodwill SOLAC locations will be open for reduced hours from 10:00 a.m. – 5:00 p.m. daily until further notice.

McCarthy said that all employees will be given flexibility to address scheduling challenges stemming from the COVID-19 virus, including school closures, childcare, and/or other related items, and Goodwill SOLAC will make all efforts to accommodate employee needs.

“The events surrounding COVID-19 are changing daily. As developments occur, Goodwill SOLAC’s Leadership Team will continue to communicate to the public as frequently as possible,” said McCarthy.
